

## Model: HP20EC/EL

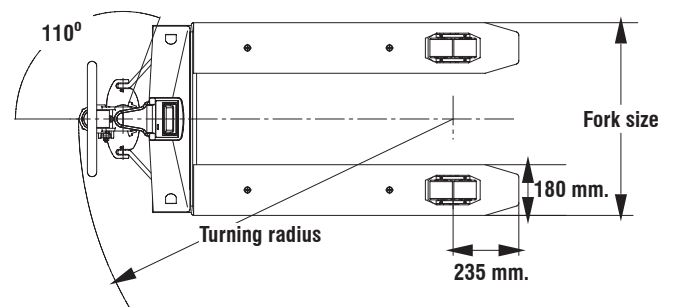

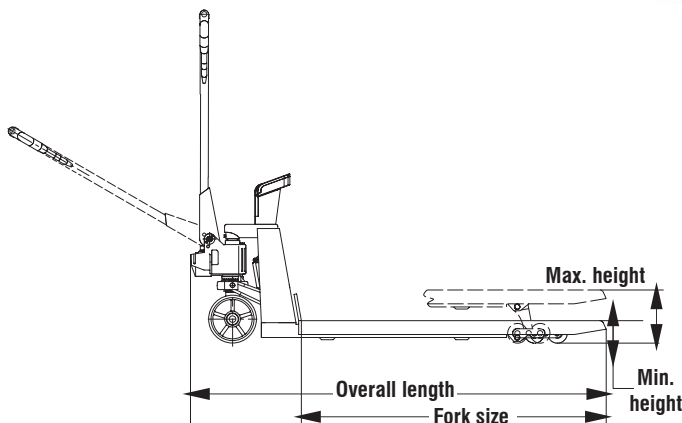

### Scale Pallet Truck

Provides the users with a great option to measure the weight as it is moved from one place to another.

The elegant combination of pallet truck and a weighting scale help to avoid the double handling of the operation.

- ▶ Weight accuracy 0.05%
- ▶ Weighting : Zero, Tare, Clear, Print
- ▶ Power supply 6V 10AH rechargeable
- ▶ Backlight can be set to on, off , auto delay off
- ▶ Battery recharge time: 8-9 hours
- ▶ Working temperature range is from -10°C to 40°C
- ▶ Function key : easy to operate
